Meridian Ops

Use of Proceeds & Company Overview

CONFIDENTIAL | Prepared by Cascade Advisory Partners | March 2026

Use of Proceeds

Meridian Ops is raising a \$45M primary growth equity round to fund GTM expansion into new logistics verticals (cold chain, last-mile) and to build out a dedicated enterprise sales team.

The company has grown ARR from \$9M to \$30.4M over the trailing three years while holding gross margin above 80% and net revenue retention above 115% every quarter since 2023.

Founding team of three former supply-chain operators; 145 employees, fully US-based.
